AGENDA DATE: September 2, 2009

TO: Front Country Trails Multi-Jurisdictional Task Force

FROM: Front Country Trails Task Force Staff

SUBJECT: Post Jesusita Fire Erosion Control Project

RECOMMENDATION: That the FCT Multi-Jurisdictional Task Force receive a report on the Post Jesusita Fire Erosion Control Project from the County Flood Control District.

DISCUSSION:

County Flood Control will make a presentation to the FCT Task Force with regard to an erosion control project in the burn areas of the Jesusita Fire. As background to this presentation, the attached documents were provided by the County Flood Control District for your information.

It is anticipated that the erosion control project will commence in mid-September and last into the first part of October. This presentation will provide information regarding the effect of the project on the use of the Arroyo Burro, Jesusita, Tunnel and Tunnel Connector, and Rattlesnake Trails in the Front Country Trails system.

ATTACHMENTS:

1. Jesusita Erosion Brief Project Description
2. Jesusita Fire Hydro-mulch Trails Map
